The following criteria will be used to select Public Health Heroes:

- Public health efforts make a significant difference in the lives of the people served.
- Public health efforts build on individual and community strengths and assets.
- Public health efforts mobilize individuals and community groups to work in collaboration and cooperation.
- Public health efforts are unique, innovative, or fill an identified gap in a specific community.
- Public health efforts are characterized by social justice and a celebration of diversity.

Please describe how this person or group promotes health and wellness in our community:

Please describe why you feel this person or group should get Public Health Heroes Award.
