EMPLOYMENT OPPORTUNITY: PUBLIC HEALTH NURSE I

Jefferson County Public Health is recruiting for Public Health Nurse I, UFCW Grade 32, Step 1, with a starting wage of \$23.35-25.77, DOE, with full benefits. This is a 35 hour per week position providing Public Health Nursing services to individuals and families in health promotion activities across multiple programs. Assists in creating a positive work environment that promotes productivity, mentoring, teamwork, cooperation, and collaboration with community partners and providers. Provides education, support and referral resources, maintains confidentiality, and completes electronic medical records documentation. Nursing services include home and office visits and maintaining the highest standards in clinical nursing practice. Professional development is supported and will be required to complete Nurse-Family Partnership Nurse Home Visitor education.

EDUCATION and/or EXPERIENCE

Qualifications include Public Health Nursing Certification and/or Bachelor's degree in Nursing (BSN). Ability to analyze and interpret common scientific and technical journals; nursing procedures; follow HIPAA & OSHA regulations. Computer skills should include knowledge of Access, Explorer, Excel, and Word.

CERTIFICATES, LICENSES, REGISTRATIONS

Valid Washington State Registered Nurses License

Valid Washington State Driver's License

HOW TO APPLY

Application and full job description may be picked up from the Board of County Commissioners office or go to <http://www.co.jefferson.wa.us/commissioners/employment.asp>. Submit application, resume, and letter of interest to 1820 Jefferson Street, Port Townsend, WA 98368 by April 24, 2017 at 5pm. ADA/EOE
