

H1N1 Immunization Clinic Update in Jefferson County

February 18, 2010

H1N1 vaccine is now available for anyone over 6 months of age.
Children under age 10 should receive 2 doses given 1 month apart.
Teens and adults need only 1 dose.

H1N1 Vaccination Walk-in Clinic

Every Monday, 1:00 – 4:00 p.m

Jefferson County Public Health

615 Sheridan, Port Townsend
(next to QFC at Castle Hill)

Citizens with no insurance can receive the H1N1 immunization at no cost,
Private insurance and State medical coverage will be billed for an administration fee, so please bring your I.D. card or coupon with you.

All Providers are now offering unrestricted access to H1N1 vaccine.

If you receive your medical care through the following Jefferson Healthcare providers, please contact them directly to schedule an (H1N1 vaccination) appointment:
