

# School COVID-19 Case Response Flow Chart

(students and staff)

Updated Sept. 17, 2020

## To obtain testing for COVID-19:

Call the Jefferson Healthcare COVID-19/Respiratory Illness Nurse Consult Line at (360) 344-3094. The Consult Line is staffed daily, 8 AM to 5 PM. Nurse Consult line staff will determine when and where to schedule testing\*.

Other testing sites may be available locally or in neighboring counties. Only lab performed PCR testing (not rapid antigen tests) should be used to exclude COVID-19 infection.

\*If the severity of a person's symptoms warrants a medical evaluation, this can also be scheduled by the Nurse Consult line.

## Return to School/Work Authorization:

For negative test result and no contact with a positive case, Jefferson Healthcare will provide instructions for when to return to school/work and send a written notice to the school via FAX. For positive test or negative test with contact to a positive case, Jefferson County Public Health will determine when allowed to return to school/work. A written notice of the return to school/work date will be sent to the school via FAX.
