#### STAYING AT HOME & SOCIAL DISTANCING IS MAKING A DIFFERENCE

Let’s continue to encourage one another to stay home and when making trips to the store, practice social distancing. **IT’S WORKING!**

## TIPS FOR KEEPING YOURSELF & GROCERY STORES AS SAFE AS POSSIBLE

- Limit the number of times you go to a grocery store to once a week or less. Shop at times when the stores are less crowded and use a list to eliminate browsing. You could shop for a neighbor while at the store.
- Consider wearing a cloth face mask to protect others.
- Wash your hands or use hand sanitizer after handling money. Use hand sanitizer when you get in the car and wash your hands thoroughly when you get home.
