

# COVID-19 Jefferson County

## Jefferson County in Phase 2 of "Safe Start" Reopening Plan

On May 23, Jefferson County received approval to move into Phase 2 of Governor Inslee's "Safe Start" **phased approach** for resuming recreational, social and business activities, subject to conditions. Every phase will still require social distancing and appropriate health precautions including the use of personal protective equipment in a number of workplaces. Use of a cloth face covering is strongly recommended. Guidance and safety criteria for reopening can be found on the **"Safe Start" webpage**. Camping and indoor retail sales in Jefferson County remain prohibited until additional neighboring counties also enter Phase 2. See the tables below for what's open and what's not.

### What's Open, What's Closed? (in Jefferson County)
